

To Play Addition Facts Tic Tac Toe:

1st Way:

- **Teacher Calls out an Addition fact equation for the Set of Facts we are practicing.**
 - **Student puts a Plastic Disc on the correct Total.**
- **Win = when Student gets they 3 Discs in a Straight row Across, Down or Diagnally Across**

2nd way:

- **Teacher Calls out a Sum for the Addition Facts we are practicing.**
 - **Student puts a plastic disc on the Correct Equation.**
- **Win = when Student gets they 3 Discs in a Straight row Across, Down or Diagnally Across**
