To Effectively Learn Your Subtraction facts, Use the "1, 2, 3, 4 approach" for each Number:

1. Build it

2. Write it

3. Play/Sing - Get Creative with it

4. Just Say the Facts

A. Pick the Desired Number

B. Practice the Column of Facts Going Down using the "1, 2, 3, 4 Approach"

Hint: The Answer Is in the Tan Column
